Higher Robust Speeds include 55/75 brilliant colour pages per minute and 65/85 monochrome pages per minute, respectively.

Fast Dual-Scan Document Feeder handles up to 300 sheets at a time and seamlessly scans both sides of each page in a single pass to produce a full 240 images per minute (IPM).

Limitless Job Reservation will queue up multiple copy or print jobs so users can send jobs whenever.

Saddle/Fold Capabilities offer saddle-stitch finishing and the ability to fold without stapling.

Scan-to and Print-from USB lets you print straight from your USB drive or scan documents to it.
